

PICTURE FRAMING

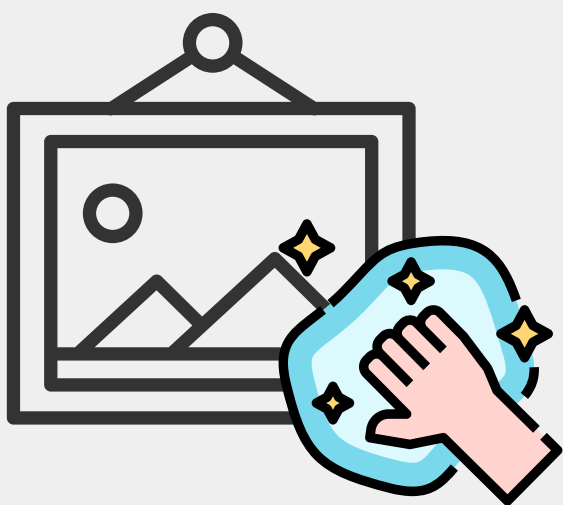

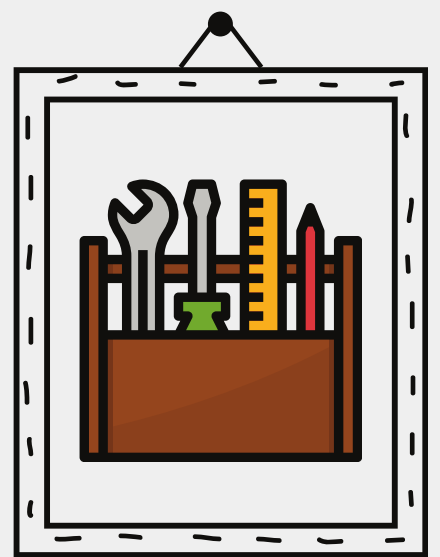

CONSULTATION

Our trained staff will walk you through the various framing options and help you select the best solution for your style and budget.

CREATION

Our skilled qualified picture framers cut your frames, matting and glass to size and expertly craft your vision. All work is carried out in our in-house workshops.

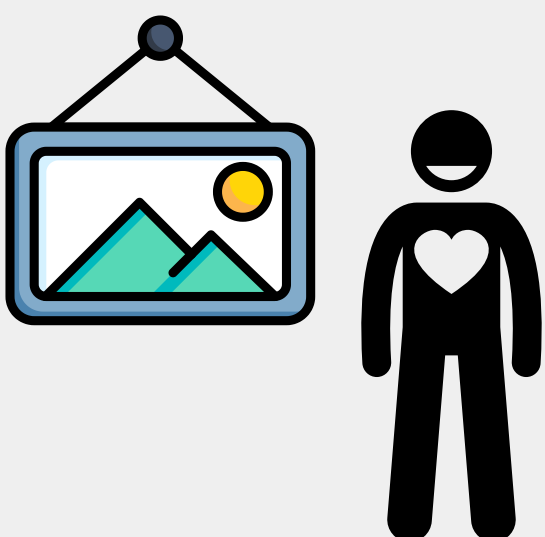

FINAL TOUCHES

We add sturdy hangers to hang your masterpiece, seal up the back for added dust protection and clean with specialty glass products.

COLLECT & ENJOY

We wrap up your framing to protect it until you are ready to collect. We are there to greet you with a smile and present your finished frame with our lifetime guarantee.

HANG & CHERISH

Hang on you walls and cherish for a lifetime
